

French HARP Workshop 2026 at the Chamarande Training Centre

Rafael Guignard
July 19, 2026

Event Details

Theme: "Proud to Be Pure Water!"

Dates: July 17 - 19, 2026

Location: Chamarande Training Centre

Target Audience: Youth aged 12 to 18 years old (born between 2008 and 2014)

From July 17 to 19, 2026, Chamarande hosted the HARP Workshop under the empowering theme "Proud to Be Pure Water!" The three-day gathering brought together young participants aged 12 to 18 for a dynamic blend of spiritual enrichment, personal development, and community building.

The workshop served as a faith-centered sanctuary where youth could step away from daily routines, explore their spiritual identity, and build meaningful relationships with peers sharing similar values.

Workshop Highlights and Objectives

1. Spiritual Growth and Personal Development

Participants engaged in tailored sessions aimed at strengthening their spiritual foundation. Activities were structured to encourage self-reflection, personal accountability, and moral clarity, helping participants discover and own their purpose.

2. Identity and the Spirit of "Pure Water"

Centered around the event's theme, workshops focused on helping young people take pride in their character and spiritual integrity. The concept of "Pure Water" served as a guiding principle for living authentically, maintaining clarity of purpose, and serving as a positive force in their communities.

3. Community and Connection

Beyond spiritual instruction, the event emphasized peer connection. Interactive group sessions, team-building exercises, and shared meals created an uplifting, positive environment where participants built lasting friendships, reinforced mutual trust, and learned to grow together.

The HARP Workshop at Chamarande successfully offered a transformative weekend for attendees, leaving them with a renewed sense of confidence, strengthened personal identity, and a supportive network of peers aligned with the spirit of Pure Water.
