Dear family,

We hope you had a great week. This week Pastor Adonia will share a message.

This Sunday will be our monthly Potluck luncheon. Please be sure to bring a dish to share with others. All kinds of dishes are welcome and greatly appreciated, but no nuts please! The church will provide rotisserie chicken.

Last Sunday Pastor Mike shared a message, "The Blessing Right in Front of Us."

If you wish to see our recordings as soon as they are posted online, please follow our YouTube channel or Facebook page.

See you soon!

Sincerely,
Pastors Mike and Adonia

Fall Festival Last Sunday

Last Sunday's Fall Festival was a great success with our annual costume contest and talent show as well as fall themed activities and crafts.

Thank you to everyone that came out to help with repainting the chapel last Saturday. We were able to get everything done and appreciate the refreshed look and feel that we can all enjoy.

Krafty Krafters will meet this Sunday 12:30-1:30 pm in the Cafe with good conversation and lots of Kraftiness.

We had our monthly Interreligious Sharing program today, entitled: " Sharing more In- depth about our Religious Founders. "

We all focused on our founders' childhoods and youth through reading from their autobiographies and biographies, each reading aloud for ten minutes. We will continue exploring their lives in the upcoming months.

Christian Science: Mary Baker Eddy. She had a serious skating accident at five years of age and healed herself spontaneously with heaven's help by reading Scripture.

Baha'i: The Bab. He showed innate knowledge early and was the seed of Fatimah.

United Methodist: John Wesley. He was one of 19 children. His mother kept the family together through strictly enforced order.

Peace Starts with Me Alliance: Father Moon.
In childhood, he learned the value of serving food to people in need.

They are all concerned about Mother Moon and will continue to pray for her.

Thank you,
Gale, supported by Antonio
