Something No One in America Would Even Dream of Doing

For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall know fully, even as I have been fully known. *1 Corinthians 13:12*

The Bible illustrates the process of resurrection: "He who hears my word and believes him who sent me, has eternal life; he does not come into judgment, but has passed from death to life." Based on this verse, we can affirm that resurrection means to leave the bosom of Satan and return to the bosom of God. It is also written, "For as in Adam all die, so also in Christ shall all be made alive." This verse means that because we inherited Satan's lineage as a result of Adam's fall, we are dead; when we return to the lineage of God through Christ, we shall be resurrected to life.

Exposition of the Divine Principle pp.119-120

Hello,

Newfoundland pastor Kyle Toffey started the service by sharing a video message from the 2nd King in Japan. Hyung Jin Nim explained that the local Sanctuary Church is developing a prison ministry to share the sacrificial love of Christ with prisoners searching for more meaning in life. They are also doing the Rod of Iron motorcycle training, breathing in and out, saying "thank you Father" as they ride, "flying" through the air, striving to devote each breath as praise to God.

He is praying for the USA at this time of war, that it will end quickly. Taiwan has become the highest income of Asia. It produces the most high-grade computer chips in the world.

The Han mother is suffering the consequences of her choices and actions. Also, the whole world suffered, with the Covid lockdowns, etc.

The greatest book of prophecy in China predicted the coming of a new world through one man. Emperors would go to chant prayers at a mountain on the border with Korea. There was a prophecy of the

emergence of a white dragon arising from a lake that connects with Daemonim's dreams about dragons bowing before Father's birth.

Hyung Jin Nim expressed his concerns about excessive influence of pro-Israel forces on America foreign policy facilitated by the Rothchild bankers. He also expressed his opposition to continuing the war in Iran which he fears could expand into a 3rd world war. If America declines, we will see the rise of feudal dictatorships like Russia and China.

Our unchanging goal should be a society where people love God and each other, investing in developing strong marriages and families. He concluded by thanking us for our prayers.

Pastor Kyle then spoke about the continuing saga of God's providence in our time. In 1982 True Father warned: We should fight against Communism, prevent the breakdown of ethics, and protect religions because they are collapsing.

The Principle of Creation teaches that we are born in God's image as His children. God is not complete on His own. God created us to fulfill His desire for love. He needs objects of love, just as we do. God created this world of infinite potential, ever expanding.

The Fall of Man explains the origins of the battle between good and evil. Sin is any thought or action that hurts the heart of God.

The Providence of Restoration describes God's efforts to restore people back to His lineage. Kyle spoke about Cain's resentment towards Abel. In Abraham's family, the split between Isaac and his older brother Ishmael.

The course of Jacob and Esau shows how to restore the split between Cain and Abel. After escaping to Midian, Jacob created his own foundation and experienced being cheated by his father-in-law, Laban. After completing 21 years and building wealth and a large family with Leah and Rachel, he returned, to give everything he had to his older brother, ending Esau's resentment.

We are not supposed to destroy another nation to keep our blessing and lineage. God blessed both Isaac and Ishmael. Kyle spoke about Sun Myung Moon's efforts to resolve Middle East divisions in order to bring understanding between Islamic countries and Judaism/Christianity.

As True Father explained when he founded the Middle East Peace Initiative, now is the time when all the world's religions should keenly feel central responsibility for the realization of world peace.

Kyle showed a long list of Father's initiatives that included: the Assembly of World's Religions, Council for World's Religions, Religious Youth Service, World Scripture, International Coalition for Religious Freedom (ICRF)

WWFMD? We should ask ourselves "What Would Father and Mother Do?" There are many levels we

can be involved in:

Individual and Family Level

Community Level

National Level

World Level

Ask, what can I do to impact the world today? As True Father once said, "I have been doing something no one in America would even dream of doing." Now, we must also do strive to do the same.

May God bless you and your families!

Sincerely,

Richard

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the Biblically-based teachings of Reverend Sun Myung Moon."
