2026 ROI Freedom Festival Highlights

There is therefore now no condemnation for those who are in Christ Jesus. For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death. For God has done what the law, weakened by the flesh, could not do. By sending his own Son in the likeness of sinful flesh and for sin, he condemned sin in the flesh, in order that the righteous requirement of the law might be fulfilled in us, who walk not according to the flesh but according to the Spirit. For those who live according to the flesh set their minds on the things of the flesh, but those who live according to the Spirit set their minds on the things of the Spirit. For to set the mind on the flesh is death, but to set the mind on the Spirit is life and peace. ***Romans 8:1-6***

Someone has to liberate God, and He cannot do it Himself. The agony of parents, or of husband and wife, cannot be solved by themselves alone. The agony of parents can only be solved by children; the agony of a husband can only be solved by his wife, and the agony of a wife by her husband. The only way to liberate God from His sorrow is by becoming a son of filial piety to take over His agony, or by becoming like a wife who takes over the agony of her husband. ***SMM, "Stony Path of Tears," February 1985***

Hello,

Shigeru Tashiro started by giving a message to the children, about how Jesus taught that the best thing to do is to love God and love your neighbor!

He then read Romans 8:1-11. On October 14, 1950, 76 years ago, True Father was released from prison. Shigeru read Father's testimony about his time in Hungnam: Even when I was tortured so harshly that I threw up blood…

It was pastors who put him into prison. Father was able to praise God even while his flesh was being tortured.

10/18/26 Sanctuary Service "Christ's Blood"

Hyung Jin Nim has been speaking about the "gold button" which boils down theology to its key points:

1. We are sinners.

2. We need forgiveness

3. That comes from the blood of Christ.

In our daily life, we need to set our minds on God. Sometimes God just wants us to be with Him with him. Not asking Him for anything. Meditation is a way to set our minds on the spirit and how much we are in need of grace. This is the hill we have to die on, the divinity of Christ.

ROIFF "Exposing Communist Infiltration"

Shigeru was one of several brothers and sisters who were interviewed by a film crew from Korea. The filmmakers said that, unlike Sanctuarians, the FFWPU members didn't agree with the need for accepting salvation through the blood of Christ.

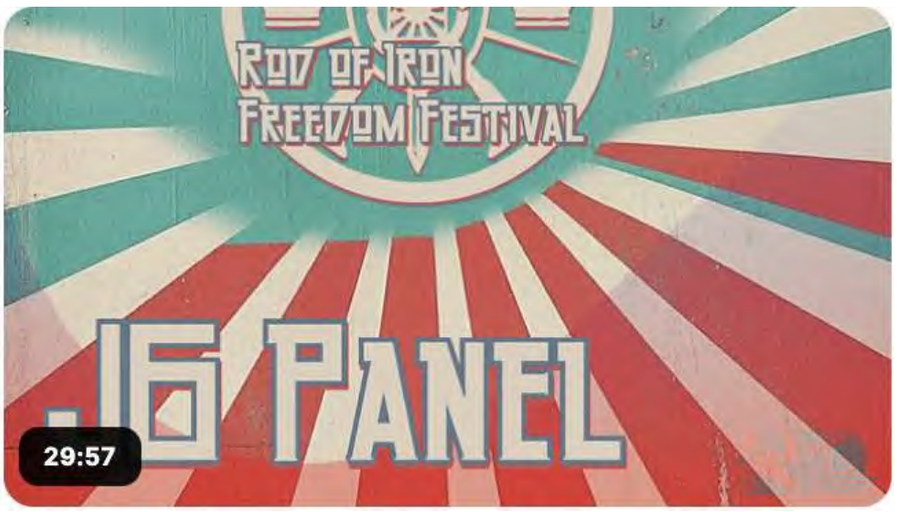

Shigeru has been reading a book about Orthodox Christian monks, who had amazing testimonies. One monk was told to bow down to every person who came to the monastery. He did this for 7 years, but when he was told he could stop, he said "no, I want to do this until I die."

ROIFF "PA GOP Political Landscape"

We have to have this mindset to love God and love our neighbor. We are monks who get married. God is asking us to have this attitude. Each husband should think that my wife is God's daughter, etc. Take your wife on a date. You have to have fun in your relationships!

In the Parenting class they are reading a book about being sensitive to each child's heart. We have to look at our relationships honestly.

ROIFF "J6 Panel"

We are called to follow Jesus' teaching, such as to be willing to lay down our lives for others.

Shigeru repented because he was more concerned about whether a newly blessed couple understood our teachings than about the fact they were receiving the blessing of Christ!

ROIFF "Pastors' Panel"

True Father asked Hyung Jin Nim to share about the life of training. America used to be centered on Christ, but now often serves idols, with a veneer of Christianity on top. True Father spoke about world peace. We have to understand. Jui Jitsu allows you to defend yourself, without hurting another person.

We train in firearms, but should also carry a tourniquet. We prepare so that we will not be a burden on our neighbor when there's a crisis.

ROIFF- Russian Influence and the Woke Right

We are for the preservation of life. America has been focused on prosperity, on things of the flesh. No, we have to get back to Christ. We should not let America become a bastion of immorality and idolatry.

Trevor Loudon said that what each of us does is just as important as what Trump does.
