New Jersey Family Church

Facility Use Policy

INTRODUCTION

The primary purpose of the New Jersey Family Church (NJFC) is to carry out the ministries of the local church. Facilities requested to be used by a political or religious organization will need to be approved by the ministry team (or designee), all other requests are also to be approved by the ministry team (or designee). The pastor can make a final determination (e.g., veto, approve) if needed given the circumstances. Priority for building use is:

1. For the program and membership needs of the NJFC
2. Nonprofit groups that are supported by the church
3. Non-member nonprofit organizations
4. Other non-members or organizations

No activities or advocacy may take place within our buildings or grounds that conflict with the policies and the practices of the NJFC and Family Federation for World Peace and Unification.

SANCTUARY SOUND AND/OR VIDEO SYSTEM

The sanctuary audio or visual systems may be made available upon request. The systems may only be operated by the NJFC sanctuary systems technicians or by technicians approved by the pastor and A/V Tech lead. Group-provided sound, recording, or video equipment may not be attached to church systems through cables or connectors without prior approval. See the Facility Use Form regarding fees for NJFC sound/video tech support.

SMOKING

All members of all groups using our facilities shall abide at all times by a “no smoking” rule on church property. Violation of this rule is sufficient grounds for a church staff member to withdraw immediately any group’s use of the facilities and/or to deny use in the future.

ALCOHOL AND DRUGS

The serving, consumption, or use of alcoholic beverages, marijuana, or other controlled substances shall not be permitted at any time on church property, including the outdoor areas and parking lots.

SUPERVISION OF CHILDREN AND YOUTH

No fewer than two adults must be present at all times during any program or event involving children under the age of 18.

FOOD AND DRINK

No food or drink is allowed in the sanctuary except for plain water. All other food and drink requires approval in advance as noted in the Facility Use Request.

DECORATIONS & SIGNAGE

All decorations and signage require prior approval of the ministry team (or their designee). Decorations and signage may be attached to concrete walls, wooden/metal/rubber trim and doors with masking tape or double sided tape only. Creating holes to attach decorations is strictly prohibited. All decorations and signage must be removed immediately and completely following the event.

PARKING

Parking in the church parking lot or designated handicapped parking spaces are available only during the period of time that a group has contracted to use the facility. Parking is available on a first-come, first-served basis. Any damage to vehicles is at the owner's expense; the church is not responsible for theft or damage to personal property. Street parking is available all around the church building, except on DeMott Ave. on Friday mornings from 9AM-11AM, due to the city's street cleaning schedule.

PRICE AND DEPOSIT

Programs and events sponsored by NJFC will not be subject to a fee to use its facilities. Non-profit organizations using the facility hosting events not sponsored by NJFC will be charged for the space used according to the Facility Request Form and should provide their tax-exempt number. Other organizations will be charged according to the Facility Request form as well, however NJFC will be limited to renting to these organizations to retain tax-exempt status. An upfront deposit of **50% of the total reserved room rate for the first hour** will be required at the time of signing the Facility Use Agreement. This upfront deposit will cover the resources and time used by the NJFC staff to clean the used space, return any equipment used, and for any incurred damages. This deposit shall be returned in full to the renter when the church staff has verified the used spaces have been cleaned, equipment returned, and no damage has been done by the renter. In the event any of these requirements are not reached, the deposit will be withheld. A **10% discount** of the total room rental will be given if the client reserves more than 1 room for their event. The full rental amount will be due upon the start of the use of the facility.

For small events organized by church members, a donation amount will be agreed upon and

offered at the time of signing the Facility Use Agreement by the staff member to confirm receipt. A deposit is not required, however, any damages are expected to be taken care of by the member.

CANCELLATION

In the case of cancellation, the deposit may be fully refunded up to 24 hours prior to the scheduled event. If a cancellation is requested within 24 hours of the event, the deposit shall not be refunded.

TAX-EXEMPTION STATUS

To retain tax exemption status, NJFC shall limit building rental to non non-profit organizations to 8% of the total rental income already received. A rental agreement with a non non-profit organization shall not be executed until the rental amount of the agreement is at most 8% of the total rental income of the tax year.

EMERGENCY SCHEDULING CONFLICTS

New Jersey Family Church reserves the right to pre-empt any facility use for its own in cases of emergencies, such as funerals. Notice will be provided as early as possible. In this case, a full refund will be made to the renting organization.

RESPONSIBILITIES AFTER BUILDING USE

It is the responsibility of the group or individual using the facility to set up, clean up and return the facility to normal setup after the approved event or activity

- Collect all garbage and recyclables into separate bags and bring it out to the dumpster located outside at the back of the church.
- Wipe off tables. If food or drink is involved, wipe all tables clean using a cleaning solution provided in the kitchen. If stains occur please notify the office or staff so correct cleaning solutions can be used to remove stains.
- Return all tables, chairs and other equipment to their proper places after your event. Return all rooms used to their normal set up.
- If using the kitchen, please wash, dry, and return all dishes and equipment used. Take all extra food and beverages with you. Wipe counters and leave the kitchen clean and ready for the next use.
- Sweep floors and mop as needed. Report any damage to equipment or property promptly to the church staff.
- Remove any items put up on the walls or set out in connection with your event.
- If the building is not in use when finished, please check that the lights are off and all the doors are closed and locked.

- A \$40 cleaning fee will be incurred if NJFC resources are required to return the facility to normal setup after the event or activity.

FACILITY USE OVERSIGHT & SUPPORT

The following ministry team members will work together to coordinate and manage the facility rental program:

- Program Manager
- Building Manager
