Toward a Loving Community That Connects Generations

The 2026 Pentecost Festival hosted by FFWPU Germany was held at the Neumühle Training Center in Bad Camberg on HC 4.7–4.8 (23–24 May).

Celebrating its 19th anniversary, the festival brought together blessed families to strengthen harmony and fellowship across generations.

World Mission Headquarters Director-General Ken Doo encouraged participants to build a loving community with open hearts.

The event also included the inauguration of Karen Pock as Youth Director for Heavenly Europe and the Middle East.

Participants renewed their determination to become blessed families that build communities of love and harmony, leaving with a renewed sense of purpose as FFWPU Germany recalibrated its compass for the future.
