Tsuneko Babb's Seonghwa and Wonjeon Ceremonies :

12th August

On August 12, Tsuneko Babb's Seonghwa and Wonjeon ceremonies were held. Many members, along with her family members and relatives, gathered to honor and remember Tsuneko during her Seonghwa ceremony. Under the guidance of Rev. Daniel, both the Seonghwa and Wonjeon ceremonies were conducted in a warm and deeply moving atmosphere.

We sincerely pray that Tsuneko may peacefully settle in the spirit world and that her family may be blessed with continued happiness, peace, and comfort.

In celebration of Chil Il Jeol and Chil Pal Jeol, we prepared an altar and joined the celebrations held in Sydney online. A total of 15 members participated, and it was a joyful and meaningful time as we gathered together to commemorate Chil Il Jeol and Chil Pal Jeol.

On August 18, the first Youth Service was held in Melbourne. A total of six youth attended the service, where they gathered together to sing praise, pray, and listen to a sermon given by missionary Kayun.

Through the sermon, the youth had an opportunity to reflect on and deepen their understanding of their own faith. After the service, they participated in a rapport card activity centered on the theme of faith. By asking each other questions about their faith, they were able to have meaningful and deeper conversations, share their thoughts and concerns, and build stronger connections with one another. Afterwards, everyone prepared and enjoyed a curry meal together, bringing the gathering to a warm and joyful conclusion.

Moving forward, we plan to hold a Youth Service once a month and continue creating opportunities for more youth to participate and grow together in their faith.

On August 22, a Youth Gathering was held in Melbourne. This time, we enjoyed a picnic together at a park in Melbourne City. A total of three youth attended the gathering.

We laid out picnic mats, enjoyed snacks, and played card games together, spending a fun and relaxing time with one another. After the picnic, we went to a café together and continued our conversations.

Through these gatherings, we hope to continue creating many joyful and meaningful memories together with more youth.

On August 23, a Hyojeong Nuri Service was held. The service began with a Ten Commandments scavenger hunt game prepared by the missionaries, followed by a sermon by Rev. Daniel on the theme of “The Determination of Moses, Jesus, and the True Parents.”

Rev. Daniel explained the moments when Moses, Jesus, and the True Parents made their determination for Heavenly Parent in a way that was easy for the children to understand and relate to. It was a joyful and meaningful Hyojeong Nuri Service that both the children and adults were able to enjoy together.

From August 28 to 30, the Great Works and True Father's Seonghwa Memorial Services were held. Many members gathered to participate in the Chanyang Sessions and memorial services, honoring True Father and commemorating his Seonghwa with sincere hearts.
