Dear

We would be so delighted to have you join us at the National Awaken Retreat: Rooted in Radiance! We are deepening and expanding the transformative experience from last year, exploring our unique journeys in true womanhood, especially in your current season of life. Check out the draft schedule linked below.

There's so much waiting for you during this refreshing weekend that participants last year said was "rejuvenating", "phenomenal" and "liberating and affirming"!

(Rates increase by \$40 after October 9)

Imagine three days of inspiration, reflection, and sisterhood. The experience will leave you renewed, empowered, and ready to embrace your inner strength.

There's still time to lock in your spot at the National Awaken Retreat: Rooted in Radiance — but the Early Bird rate ends October 9th.

Refreshed in Nature

All the action happens in the gorgeous hills of Stevens, PA at Refreshing Mountain Retreat Center.

It's the perfect place to feel renewed and uplifted surrounded by the beautiful Creation, especially during this autumn season.

Profound and Heartfelt

The Awaken Retreats have been deeply impactful. But don't take out word for it! Reflections from participants last year include:

- ***"Before, I didn't believe in myself, but now I do. I am enough."***
- ***"I found home. I found sisters."***
- ***"I can step more into my own light and let go of the fear of being great."***

What will you discover?

Whether you attended the retreat last year or are new to the Awaken experience, there's something to discover during this empowering weekend retreat open to all women. This year we are building upon last year's content, going deeper and wider into our identity as women and reflecting God's motherly love. Click below to check out the draft schedule.
