

WFWP USA: We Need Your Help to Reach Our \$20,000 Schools of Africa Goal

Katarina Connery
September 1, 2026

Dear,

There's still time to make a difference.

As August comes to a close, this is our final appeal for this year's **Schools of Africa Fundraiser**. Our goal is to raise **\$20,000** to support education and opportunity for children

and young people across Africa.

Throughout August, we've shared just a few of the stories behind this mission:

In Kenya, students like Imbulani Faith walk miles each day to pursue their education, while WFWP support is helping Handow Secondary School complete a long-awaited classroom building.

In Rwanda, young women and men are gaining practical skills in Sewing, Beauty, and Cooking that can lead to employment, entrepreneurship, and greater independence.

In Mozambique, students like Ana Paula are pursuing their dreams of becoming doctors, following in the footsteps of 19 graduates who have already gone on to become doctors.

In Liberia, scholarships have helped children like Fatu continue their education and dream of becoming teachers themselves.

In Guinea-Bissau, a new water tank is helping provide students with reliable access to water for drinking, handwashing, and clean bathrooms.

These are just five stories. Together, they represent what your support makes possible through the **Schools of Africa**.

And This Month, WFWP is Going to Kenya

There is another special opportunity we hope you will help make possible.

This month, **WFWP USA President Dr. Katarina Connery will join the WFWP Japan delegation for a service trip to Handow Secondary School in Kenya**—the very school we introduced at the beginning of this campaign.

Being able to visit the school in person is an important opportunity to strengthen our

relationship with the students, teachers, and community we have supported for many years. We are raising an **additional \$3,000** to help cover the costs of Dr. Connery's participation in this service trip.

Your support makes it possible for WFWP not only to provide financial assistance, but also to **show up, build relationships, and be present alongside our partners on the ground.**

One Last Chance to Give

If you've been meaning to make a gift this year, **now is the time.**

Throughout August, we have introduced you to more students, teachers, and communities whose lives have been changed through your generosity. We hope you'll continue this journey with us.

Thank you for believing that education has the power to change lives.

With gratitude,
