Resonance is a language of Heavenly Parent.

"[True Mother, the Only Begotten Daughter] conversed with Heavenly Parent through resonance of heart, the language of the Heavenly Kingdom." pg 33, The Value of True Parents in Heaven's Providence

"True Mother who was born as the Only Begotten Daughter, was able to experience and feel things for herself, so even while she was still in the process of growing to maturity, she was able to understand the principles of creation, and use them to guide her actions and decisions even though nobody had taught her about them. Centering on Heavenly Parent's Will, she was able to discern things on her own, decide on her own, and thus reach the realm of perfection." pg 33, The Value of True Parents in Heaven's Providence
