 HJ Heaven and Earth
CheonBo Training Center

Four times a year, there is powerful special grace given to all who register and attend the main program as well as the Chanyang Yeoksa session.

Mother's continuous goal is to put things in order and to create joyful memories with her children.

By registering and gratefully attending each Great Works, we help put our spirit world in order as well as set the conditions needed to allow Heaven to work. For miracles to happen.

Even if someone is unable to attend any of the events, just the registration alone creates a condition for the absolute good spirit world to work.

Let's continue to offer devotion, grow well, and take care of each other's hearts to become the children our Mother believes and trusts us to be!

register for the Summer Great Works

Did you know?

Mother asked for all Blessed Families to attend all 4 seasons of Korean Great Works.

Each Korean Great Works chanyang yeoksa, including for one week before and after, has the potential to liberate a central resentful spirit, with sincere devotion and concentrated spiritual works.
