22 Japanese participants came together to deepen their relationship with Heavenly Parent and True Parents through practicing resonance, education, and prayers.

Testimonies

"I had previously been unable to offer prayers that welled up from my true heart, but through the "resonance prayer" session, it was as if a wall that had kept me tightly closed was suddenly burst open by tears; I was then able to pray naturally and freely." (CA Machiko Edwards)

"I was given the answer to my life's purpose. From this very moment—"here and now"—and forevermore, I will welcome Heavenly Parent and True Parents into my heart and live by loving the people around me together with Them." (Chieko Granstrom)
