We are looking for a new **National Leader Couple or Pastor for FFWPU Ireland**

The Heart of the Role:

Our Irish community is a relatively small but growing community, mostly through 2nd Gen Blessings and 3rd Generation being born. We own a beautiful Georgian house which we use for services and events, as well as a residence for students and missionaries who support the community. We aren't just looking for a person who ticks the boxes in terms of specific tasks, but someone who deeply cares about God's will and is able to inspire our young families.

We are seeking a couple (but we are open to individual applicants) whose life is defined by their faith and character. We believe leadership includes a sincere heart to understand each brother and sister in our community and inspire all of us to follow the Principle and True Parent's path together.

Vision & Leadership:

We are at a point of exciting transition and new opportunities. Our previous National Leader Couple is stepping down after twelve years in the role. We are looking for applicants who don't just follow rules, but who can take on an important responsibility with:

A Vision for Community: A clear, prayerful plan for how our community can grow in heart with each other and work together to advance God's Providence.

Local Engagement: A desire to see Blessed Couples have impact in the local communities and become a pillar of hope and inspiration.

Collaborative Spirit: An ability to listen to the members of the community while leading us toward a unified future.

The Ideal Candidate / Couple

While formal requirements are secondary to calling, we are looking for:

Integrity & Character: A life of faith that reflects the standard of True Parent's teachings and example

Pastoral Care: A natural gift for visiting Blessed couples and sharing deeply about practical and spiritual elements of our lives, listening to member's struggles and challenges and providing counseling and God-centered insights.

Young Family-Oriented: As our church is family-focused with a lot of young couples, we value a leadership style that is geared towards this life-stage in our community.

Relatability: The ability to connect with brothers and sisters across all generations.

A Unique Mentorship Opportunity

We understand that stepping into a new leadership role can be daunting. To ensure your success and spiritual/mental health, the previous National Leader Couple will remain available as mentors and in a supporting role. You will have access to their institutional knowledge, wisdom, and support as you transition into this role. You won't be expected to figure everything out on your own or feel like everything is reliant on you.

We also have a healthy financial structure and a Board of Directors what oversee practical matters (admin work, budgets, etc.), so the focus of the role can really be on working with the members of the community.

Position Details

- Commitment: Part-time (Approx. 20-30 hours per week).
- Compensation: 1,000 Euros / mo. stipend. We ask that the main person in the couple working for the role doesn't take on any additional work over 20 hours / week.
- Focus: Sunday service, mid-week community engagement, and visiting members across Ireland

How to Apply

In lieu of a standard cover letter, please send us:

Your Story: Tell us about your journey of faith and your interest in this role.

Your Vision: A brief outline of your "Year One" vision for a small church community like ours.

Your Partnership: If applying as a couple, tell us how you work together in mission and leadership roles

Please note: Due to the legal complexity of visas and immigration, we can only accept applicants with the legal right to work in Ireland (all UK and EU passports, as well as EEA countries)
