✧ Community Update

In August 2026, members of the Birmingham and West Midlands community participated in a meaningful pilgrimage to the Cheon Bo Heaven and Earth Training Centre in Cheongpyeong, Korea, where they had the opportunity to stand in support of True Mother and deepen their relationship with God. Through prayer, reflection, and fellowship with members from around the world, participants experienced spiritual renewal and a greater understanding of Heavenly Parent's love and guidance. The members from the Birmingham and West Midlands community returned home with grateful hearts, renewed inspiration, and a strengthened commitment to serving their community and sharing God's love with others.

On 5 September 2026, our North England Community in Manchester held its first-ever Youth Worship Night, bringing together young people for worship, holy songs, a testimony from Daniel on Choosing God, small group discussions, and prayer.

The gathering created a warm and reflective atmosphere, and after staying overnight at the missionary house, the youth joined the wider community for Sunday Service on 6 September, enjoying a weekend of faith, fellowship, and spiritual growth.

This week saw encouraging progress in witnessing activities, with one guest receiving a lecture on True Father's Life Course and a copy of True Father's autobiography, while another guest attended the Sunday barbecue and shared very positive feedback about the welcoming atmosphere and the unity of people from different cultures and generations. Guests have been engaging regularly with the community and are receiving Cham Bumo Ron lectures, as requested by True Mother, as members continue their efforts to witness with sincerity, spirit, and truth.
