A time for Hyo Jeong Reaffirming the Mission in the Cheon Il Guk Era

A 2025 Blessing Anniversary Festival took place in Bangkok, Thailand, co-hosted by the FFWPU Thailand Blessed Family Department and Bangkok Church, with about 300 blessed families attending.

The festival commemorated the anniversaries of couples who received the 30,000-Couple and 360,000-Couple Blessings, and was a time for the newly blessed couples of this year to celebrate together.

The members who attended expressed deep gratitude to True Parents and shared their filial love, once again reflecting on the mission of blessed families in the Cheon Il Guk era.
