The 2026 Youth Summer Camp was held from July 4 to 6 (HC 5.20–22) at Manenga Holy Ground in Kinshasa, Democratic Republic of the Congo.

Vice National Leader Joseph Pumsu encouraged the young people, emphasizing that hyojeong (filial devotion) is the foundation for establishing a relationship with Heavenly Parent.

The camp helped participants deepen their understanding of the holy ground and prepare to take their place as future leaders who will advance Heaven's providence.
