July 18, 2026

The Filipino Barrio Fiesta 2026, held on July 18 in Vienna, brought together thousands of people for Austria's largest outdoor Filipino cultural celebration. Organized by the Council of Filipino Associations in Austria (CFAA), the event featured cultural performances, traditional dances, a parade, music, food, and community activities celebrating Filipino heritage and identity.

WFWP Austria and the Association of Filipinas in Austria participated together in the parade, demonstrating strong partnership and solidarity among Filipino and Austrian communities and other nationalities. The event celebrated the Filipino spirit of "Bayanihan" - unity, cooperation, and mutual

support - while funds raised through the tombola supported humanitarian and community-based projects in Austria and the Philippines.
