On Friday, 6 August 2026, WFWP Malta was pleased to support MISSIO Malta's fundraising stall at the annual FOODFEST, held at the Granaries in Floriana, Malta.

The event brought together families and visitors for an enjoyable day of food, entertainment, and community activities, while also providing an opportunity to support a meaningful cause.

Fun Activities for Families

Families visiting FOODFEST were encouraged to support MISSIO Malta by making a donation at the fundraising stall. As a thank-you, children who placed a donation in MISSIO Malta's collection box could enjoy a selection of fun activities, including:

Choosing a free surprise toy

Having their face painted

Colouring one of the pictures provided at the stall

WFWP Malta was happy to contribute to this community initiative and help create a welcoming and enjoyable experience for families, while supporting MISSIO Malta's fundraising efforts.
