Renu Poddar

“AT THE HEART OF MY WORK IS A SIMPLE BELIEF: EVERY WOMAN CAN ACHIEVE!”

After 28 years of teaching across five countries, Renu Poddar found her greatest lesson at home. When her daughter moved abroad, she had to rediscover her purpose, confidence, and financial independence. Today, she helps women do the same—rebuild, rediscover, and move forward at every stage of life. Because it’s never too late to begin again.
