A Monarch Butterfly Summer Camp for Hyodong children was held at Katicatanya in Hungary from July 22 to 26 (HC 6.9–13).

The Hyodong children reflected on the spirit of the monarch butterfly and resolved to grow into the Pure Waters Heavenly Parent hopes to see.

In Beirut, Lebanon, a Hyodong workshop was also held from July 22 to 23, featuring a variety of programs focused on faith and character development.
