Mission Weekly Newsletter

Hello, or Welcome Back!

For those new here, welcome to the Next Gen Mission newsletter! Here you will receive weekly updates of the mission program. For others, welcome back!

The Next Gen Mission 2026-2027 kicks off tomorrow, and we are very excited for all the incoming junior class missionaries to arrive.

To prepare, one week ago, the new senior class missionaries and team leaders arrived on Spiceland Youth Campus. They set intentions for the upcoming year, reflected, and bonded with each other with a fun paintball outing.

The upper class missionaries are also preparing the environment, cleaning and decorating the campus to give the incoming missionaries a warm welcome.

While everyone’s hearts are preparing for the new year to begin, we are also aware of what’s going on with the worldwide movement.

Today, everyone received news that the co-founder of our movement, the Mother of Peace, Hak Ja Han Moon, was sentenced to two years in prison. We stand with our Holy Mother Han. Even in this difficult moment, we will continue to stand strong, and move forward with greater determination in support of Mother and the vision she has devoted her life to.

Continental director Demian Dunkley shares his thoughts about the decision.

THIS IS MISSION.

Mission is not simply a “program.” It is an intentional, significant period in one’s life—a dedicated time to serve the world, to offer oneself fully, and to lay a deep spiritual foundation with God, our Heavenly Parent.

It is a time to experience joy through meaningful mission work, expand one’s heart, and become anchored in a life of purpose.

INTRODUCING: FINAL ROLLING PERIOD

US applicants can still apply for the 2026-2027 year for a fee of \$200.
