Mission Weekly Newsletter

Next Gen Mission

And so the Next Gen Mission year 2026-2027 is in full swing!

This year, Mission is starting with 37 in the junior class, 17 in the senior class, and 10 team leaders.

The Kickoff workshop was all about orienting the missionaries about the program, the culture to create, the standard to uphold, and the mindset to have throughout the year.

Highlights of this Kickoff workshop were the field day and the first-ever Mission Olympics. Through team activities and sports, the missionaries were able to bond and garner spirit for the mission and for themselves.

Kickoff is happening in two parts, and so Kickoff Part 1 recently concluded with the Mission program attending the National Sunday Service with Continental Director Rev. Demian Dunkley.

And now the missionaries are off actionizing!

Actionizing is the introductory fundraising period during which they begin to put the content they received into action, by implementing witnessing elements, team bonding, and upholding the mission culture and faith education.

Keep the missionaries in your hearts and prayers as they begin this journey of serving others, as well as developing and growing in themselves.

This has been the first Next Gen Mission newsletter of the 2026-2027 mission year.

Thank you for reading, and see you next week.
