Dear,

## Dear Brothers and Sisters

Quick update for this Sunday, that we will be gathering (for those who can make it in the Northeast Region) at the **New Yorker Grand Ballroom in New York City at 11 AM Eastern for September 6th, 2026.**

“Those within driving distance of New York, are warmly encouraged to come and join this gathering as we stand together in support of True Mother. We had a beautiful experience coming together and making an offering from the West Coast. now, let us join together from the East Coast and Show up in support of Mother.”

Demian Dunkley will still give the service, with the special guest of Wess Morgan.

I know this is sudden and I want to encourage all that can make it to go, but if you can't do not worry, please watch it at home. Here is the link to the live stream. [live.familyfed.org](https://live.familyfed.org)

To be clear we will **not have service at Spurgin Hall** this weekend. We will also continue the local council elections next week. This gives you more time to think and reflect on your choices!

I am sorry for the change I hope we can all come together and create an amazing experience in NY and for those who can't make it I will see you next Sunday!
