FAMILY CHURCH OF
CONNECTICUT
A diverse, international community of faith working towards a more peaceful world through loving families.

Dear,

Happy Thursday,

I hope you are all doing well!

October is a upon us and that means winter is just around the corner. Please stay warm and healthy as the temperatures shift. As we go into the warm and cozy months, lets make sure we reach out to our brothers and sisters and spend time with one another.

I hope you had a lovely time at Belvedere last Sunday, I look forward to seeing you all this Sunday at BIA at 11AM!

Jayne Wood's Seonghwa

Jayne Wood's Seonghwa ceremony will be held this Sunday, October 11th, at 2:00 PM. We will first meet at the cemetery first:

Cemetery Address:
871 Campbell Ave, West Haven, CT

Following this, we will hold a small Seonghwa ceremony at the Muto family's residence:
180 Morse St., Hamden, CT

Since the Muto family's home is limited in space, we especially encourage those who were close to Jayne to join us in person as we come together to honor her life and support her transition to the spirit world.

We will also be holding a 24-hour prayer chain to pray for our dear sister's smooth transition. I encourage everyone to sign up for an hour and offer prayers, love, and support for Jayne during this time.

Sign up for the 24-Hour Prayer Chain

Thank you all for continuing to surround Jayne and her loved ones with our prayers, love, and support.

Bridgeport Hope School

Here is a letter from Greg Breland and BHS:
“After serving the community for 30 years, Bridgeport Hope School has closed its doors. The competition from Charter, Magnet, Parochial schools was just too great to overcome. After some years of deficits, the BHS Board determined that continuing was just not sustainable. It was a difficult and painful decision.
Now Hope School could use a little help. Closing a school is not cheap and we have loans and contracts we need to pay off. If you can donate any substantial items for our TAG Sale or assign them to us on a consignment basis (50/50 split), we would be very grateful. Please, no books.
Preferable are items that have value and we can sell quick. This is a great opportunity to create some space in your closet!
Please contact Greg Breland to discuss and arrange a drop-off at the school.
His number, 203 260 1830 Thank you for your consideration.”

Love you all, see you this Sunday!

Join a Small Group

Small Groups are starting up, don’t miss out to dive deeper into oneself in these groups!

The purpose of these small groups is to give everyone a chance to go deeper in their life of faith and to share openly and honestly about what is happening in your life and in your relationship with God and True Parents. We hope these groups can become spaces where we can be real with one another and begin overcoming the shadows and struggles we may have been carrying for a long time. So that we can open ourselves up and listen clearly to our conscience and the direction its trying to guide us.

Our small group facilitators will be:

- Stephan and Constance Gabb
- Bruce and Setsue Clarke
- Steven and Colleen Boyd
- Richard and Koonam Park

Small Group sign up!

What’s Coming Up?

- October 11th - Sermon by Denthew (11 AM) - International Team
- October 18th - Intergenerational Service (11 AM) - Japanese Team
- October 25th - Sermon by Denthew (11 AM) - Potluck

Watch to see what is happening around the world.

Dear Brothers and Sisters,

Thank you for your constant prayers and devotion.

As you know, True Mother's hospital stay has been extended till October 20. While her legal situation is still unfolding, we remain committed to further Heavenly Parent's providence and work to realize God's dream.

Over the last year while True Mother has been detained, the True Grandchildren, Missionaries Shin Chul and Shin Heung, have been supporting the burdens of leadership through these challenging times in Korea. As you can see from the attached memo, now they are being officially appointed to leadership roles taking responsibility for the movement.

Let us then pray for them and support them. Let us work together to bring joy to our True Mother, to True Father in Heaven and to our Heavenly Parent.

May God Bless you

Continental Director, FFWPU North America

Something new!

We are looking to try something new this year where we hold a trunk or treat for our community. We come together and make a wonderful experience for young families where they can come and experience the warmth of our community. It would also give our own young families a fun opportunity to get some candy and play some games. Let us know if you have any questions but lets host something exciting for the community.

Registration

This workshop is open to anyone, we want to support everyone to build a closer and deeper connection with our True Mother. There is a lot happening in our movement and we find that sometimes the personal relationship and individual connection can get swept up and lost. So we wanted to give everyone an opportunity to go deeper and understand who our Mother is and how she relates to us.

In the registration there is more information on the lectures that are happening each day, and so if you can not commit to the whole event you can see which lectures you would like to make time for.

Fall Festival!

Highly recommend for everyone to getaway with your brothers and sisters

Fri. October 16 — Sun. October 18

Theme: Seeking the Origin

Sometimes we need a refreshing experience away from everything to find a new perspective, and get back to our best, God-given selves.

But ultimately it will be a nice weekend with many young families, young adults and the time away from everything to prepare for the end of 2026.

@ Camp Shehaqua in PA, registration and more information attached to the button below.

Creating the right spiritual conditions

Our brother and sister, Pat and Gustavo Jimenez, want to help our community continue working toward our goals and dreams by creating the right spiritual conditions for growth and renewal.

Beginning soon, they will be holding a Chanyang Session twice a month, giving us an opportunity to come together, release resentments and negative spiritual influences, and create a more positive and uplifting spiritual environment for ourselves and our community.

Every other Thursday

I encourage everyone to take advantage of this opportunity. Creating a beautiful garden means not only building something positive around us, but also taking care of what is happening within us.

Let's support Pat and Gustavo and use this as another way to grow together as a community and create the conditions for the beautiful garden we want to see flourish.

Join a Small Group

Hello!

We invite you to join a small group—a community of brothers and sisters who are striving to grow together in their lives of faith.

You may already be part of a home group or another small group, and we encourage you to continue participating in those. The purpose of these groups is to create a space where we can go deeper, share honestly about what we are experiencing, and support one another on our spiritual journeys.

Through openness, vulnerability, and genuine connection, we can move closer toward the ideal of living a high noon life with no shadows—a life where we feel free and secure in the love of our Heavenly Parent.

Growing into a mature person of faith who can love others unconditionally is not an easy journey to walk alone. These groups exist so that we can encourage one another, care for one another, and remind each other that we do not have to face life's challenges by ourselves.

We hope you will join us as we grow together in faith, heart, and community.

Here are our Small Group leaders:

- Stephan and Constance Gabb
- Bruce and Setsue Clarke
- Steven and Colleen Boyd (Will lead a Spanish and English group)
- Richard and Koonam Park
- Pastor Denthew

We will try and get more practical details, such as when a groups schedule and a where they will meet out to you as soon as possible. And if it doesn't work with your schedule to be freely switched to another and or if the small group isn't exactly what you hoped for and wanted to try another we will be open to switching you as well.

Pre-Registration: "Living At The Same Time As The Only Begotten Daughter" Lecture Series By Dr. Yeunhee Chang (Check Obdist Dr. Chang Youtube)

I am Dr. Yeunhee Chang, a second-generation member of the Family Federation for World Peace and Unification community. Over the past eleven years, I have dedicated myself to studying True Mother Hak Ja Han's proclamation as the Only Begotten Daughter — and I am here to share what I know.

This lecture series grows out of my doctoral research, a qualitative study of our True Mother but has extended in a deep revelation of her life and mission. The seven lectures of the *Only Begotten Daughter* series end with a personal Blessing Marriage Testimony, which also reveals True Mother's personal hand in my life. Also newly included is *Restoring the Voice* — a critical analysis of my new scholarly translation of *Mother of Peace*, rendered into the closest English possible to her original Korean words.

I hold no institutional position, and I am not sponsored by the church. Therefore, I humbly ask for your support.The registration fee per person supports travel and logistical expenses, as well as the ongoing development of my website and legal efforts to ensure that the authentic words of Hak Ja Han are heard.

Lecture Pre-Registration & Pricing: The lecture series runs from the **th to the **th (** days total) at **$40 USD per day**, **$100 USD for all three days**. Please note the following attendance requirements:

First-Time Attendees: If you are attending for the first time, you must attend the first day of lectures (****) as a prerequisite in order to attend/ and register for the 2nd and 3rd lectures on the **th and **th.

Previous Attendees: If you attended the lectures at the previous gathering, you may choose which specific days you wish to attend, as the material will cover the same core content but in an extended format.

Participants must be **18 years of age or older**

- Location: BIA Building: 285 Lafayette St #307, Bridgeport, CT 06604

Description of Dr. Yeunhee Chang's OBD Lecture Series: Living In the Same Time As the Only Begotten Daughter for a 3 Day Lecture Schedule

October 23rd

Lecture 1- Differences Between Faith and Belief What is the difference between faith and belief — and why does it matter? This opening lecture explores how these two orientations shape the way members relate to God and to exemplars of faith such as Hak Ja Han. It sets the theological and experiential foundation for the series.

Lecture 2- Phenomenon After 2013
What shifted in the Unification movement after 2013 — and what do those shifts reveal? Drawing on qualitative research, this lecture examines the theological, institutional, and personal changes that followed, and what they tell us about the community's evolving relationship with True Mother Hak Ja Han.

Lecture 3 — How I've Come to Know True Mother This lecture explores three pathways to understanding True

Mother Hak Ja Han: through church teaching, through personal and close experience, and through spiritual encounter. Drawing on collected interviews, it examines how members have come to see her — not only as a central figure of faith, but as a human being with her own direct relationship with Heavenly Parent.

Lecture 4 — What Do We Know About True Mother? Building on Lecture 3, this session asks a harder question: what do we actually know about True Mother Hak Ja Han, versus what we have simply been told? Drawing on her own words and life, it works toward a more grounded and personal understanding of her identity and mission.

October 25th

Lecture 5 — Restoring Her Voice A scholarly and personal account of translating Hak Ja Han's autobiography, *Mother of Peace* — and what that process uncovered. Drawing on over 750 footnotes, this lecture examines how True Mother's words have been filtered and obscured in existing translations, and makes the case that restoring her authentic voice is not merely an academic act, but a providential one.

Lecture 6 — The Prolonged Providence: Alignment and Deviation Using the metaphor of buttons in the right and wrong buttonhole, this lecture examines the providential path as it was intended to unfold alongside where and how it went off course. It traces True Father's and True Mother's intended roles, what right alignment looks like according to Hak Ja Han's own words, and who bears responsibility for the misalignment — and what that has cost both members and True Mother herself.

Lecture 7— Filial Children in The Golden Age: Mother Who Wipes Away the Tears of Humanity We are living in an unrepeatable moment — the Only Begotten Daughter, Holy Mother Han is alive and active in the world. This closing lecture reflects on the spiritual and historical weight of this time, her work toward the reunification of the Korean peninsula, and what her warnings mean for those who have yet to understand who she is. From that cosmic horizon, it then traces True Mother's sacrificial work for God, for True Father, and for each of us personally — an invitation to gratitude, recommitment, and a renewed and living relationship with her.

October 25th

Understanding Between the Lines — A close reading of Holy Mother Han's speech from March 1, 2025, delivered to the 430 couple elders. Let's read Mother's words together — the raw Korean alongside the closest English translation, with no edits.

My Marriage Blessing Testimony A personal and lighthearted account of one second-generation member's journey to finding her spouse through the Blessing — with all its struggles, detours, and surprises. This lecture reflects on Hak Ja Han's direct and tender involvement in my life as a Mother genuinely concerned for my happiness. For fun, for connection, and for the heart.

*** At the end of the day, time will be set aside for open discussion and Q&A.**
