A Message from Our Pastor

Dear LA Family,

What a joy to receive both the Kajikuri couple and the Little Angels in one weekend!

During the performance, I felt "*Ahh, wouldn't it be so nice if Mother could hear the Little Angels voices again."*

I hope that day comes soon.

In the meantime, let us not forget that we have great, deep roots that when tapped and remembered, allows us to spread our wings and rise towards a beautiful future!

On another note, this past week many pastors gathered centered on Rev. Dunkley in the Bay Area. I felt there were two key points of emphasis from our leadership: 1) Raising the Next Generation, and 2) Unity and Growth with Christianity.

I believe many of our efforts moving forward will revolve around these points.

With that in mind, we want to warmly welcome our new Next Gen Mission team that will be serving our community until November 13th! Look forward to meeting them on Sunday!

God Bless You,
Pastor Joshua Holmes

‘Blessing Ceremony for Ascended
Blessed Children Unmarried Spirits’
schedule and application memo

May the blessings and love of our Heavenly Parent and True Parents be with all mission nations.

In February 1999, True Parents said, “Let the children who were born as 2nd, 3rd generation of blessed families and who ascended without receiving the blessing grow, and let them receive the Blessing Ceremony.”
Also, True Parents said in 2016 April, “Hold a Blessing Ceremony for unmarried spirits every 3 years in Cheongpyeong Heaven and Earth Training Center, and the matching should be done by President Ki Seong Lee.” So, following these directions, at the HJ CheonBo Training Center, we will be holding the ‘Blessing Ceremony for Ascended Blessed 2nd, 3rd generation Unmarried Spirits’ as written below.
We hope that families who have eligible Blessed 2nd, 3rd can apply within the designated period.

Please note that this official memo is intended for members living outside of Korea, Japan, and Taiwan.

A. E-mail address: cpintl2013@gmail.com
B. Application deadline: October 30, 2026
If your child is matched, the training center will contact you individually, and you will then receive the "Blessing Application Form." Parents are advised to sign the form and send it back to the training center.(Blessing application deadline: November 30)
C. The blessing donation along with workshop fees should arrive by December 16.
D. Procedures Following the Finalization of the Engagement: Once the engagement is established, detailed guidance on the procedures will be provided along with the "Blessing Application Form" upon notification of the results.

7. When blessing a '1st-generation unmarried female spirit' and a 'blessed child unmarried male spirit'
A. Guidance for those planning to bless a 2nd-generation unmarried spirit
If an engagement between 2nd generations cannot be received, families who desire to receive a blessing with a 1st-generation unmarried female spirit should indicate this by checking the box "Possible to be blessed with a first generation single spirit." on the engagement application form. (If you do not check this and matching is not achieved, you must attend the blessing ceremony 3 years later.)
Currently, the number of sisters who ascended to the spirit world is much less than the number of brothers. Knowing this situation, on August 5, 2017 True Mother said that among the ascended Blessed Children brothers, "should the parents wish, they are able to receive the blessing with a first generation single sister spirit from a Previously Married Blessed Couple / Single Blessing / Spirit World and Physical World Blessed Couple." In this case, it will also be considered a "2nd generation couple".
B. Guidance for those planning to bless a 1st-generation single sister spirit
If you are a Previously Married Blessed Couple / Single Blessing / Spirit World and Physical World Blessed Couple who has liberated a first generation single sister spirit (daughter/granddaughter), and you would like her to be blessed to a 2nd generation brother, please fill out the matching application form. However, refer to the conditions below.

Conditions for Matching for 1st Generation Single Spirit		
1	Age, Gender	The age of the spirit should be between 16 and 47 years old according to earth age (The birthday of the spirit sister who ascended should be between January 1, 1979 and December 18, 2010).
2	Day of Liberation	The liberation of the spirit should have been before July 25, 2026.
3	Eligible Candidates	- First Generation daughter or granddaughter of a Previously Married Blessed Couple - First Generation daughter or granddaughter of a Single Blessing Couple -- First Generation daughter or granddaughter of a Spirit World and Physical World Blessed Couple
4	Blessing Donation of Gratitude	Check the above group table (As they become a 2nd generation couple, the blessing donation standard is 2nd as well.)

* The way to apply for the matching is the same as the way to apply for the 'Blessing Ceremony for Ascended Blessed Children Unmarried Spirits' (Deadline: October 30, 2026).

8. Points to Consider
A. In general, the parents who applied for the liberation of the Blessed 2nd, 3rd Children should apply for the matching and participate in the blessing ceremony. In the inevitable case that the parents cannot participate, a family member over 18 years of age or a leader in the church can participate on their behalf.
B. Also, in the case that the parents of the liberated and ascended Blessed 2nd, 3rd Children, have also ascended, and the parents cannot apply for the matching, it is possible for a member who can be responsible for the spirit to apply and bless the child on behalf

of the parents.
C. Information about the spouse's family will be introduced at the engagement ceremony. After the match has been made (after sending the Matching Application Form) it is not possible to cancel for any reason. Please consult with your family members well before applying so that it can be a great blessing for all.
